

@UK PLC Suppliers Traders Club News - Issue 12

- The Implementation team enhance their design skills
- Featured Trader — Rapid Company Formations
- The New Control Centre

Meet the team — Customer Support

One of the teams within @UK PLC that you probably have the most contact with is the customer support team led by the customer support manager, Debbie Gardiner. They are here Monday to Friday 9.00am to 5.30pm to answer any questions or queries that you may have with your Site Generator packages. If you have anything you wish to discuss or need help please feel free to email support@ukplc.net or post a message on the Traders forum.

The New Control Centre Is Coming! Sneak Preview!

Our Development Team are working hard on updating the screens and functionality of the Site Generator package.

Some of the screens in the new Site Generator Control Centre are available for Beta testing and Dave Anderson, the team leader, is very keen to get your opinion on what has been done so far.

Try Searching for your orders using the Advanced Order Search: <http://controlcentre.beta.uk-plc.net/customerorders/advancedsearch.aspx> and let us know what you think.

We Still Need You!!

We are still looking for input from Traders Club members on the Site Generator Control Centre development

http://www.traders.ukplc.net/forum_posts.asp?TID=88

Competition Time!

If you can guess the member of the implementation team who is under the umbrella, you can win yourself an @UK umbrella!

Is it:

- A) Debbie Gardiner
- B) Dave Anderson
- C) Rob Greville

Clue: Who has the tie on

Please email traders@ukplc.net with your answer!

- your first years annual return filed for you free unlimited email support

Rapid Company Formations, The quickest way to form a company today.

For more information please email support@rapidcompanyformations.co.uk or visit <http://www.rapidcompanyformations.co.uk/>

Implementation Team Enhance Their Design Skills

In the past few months the design team here at @UK PLC, have played host to our Implementation team. The team have learnt new skills and have enhanced their design knowledge. A brand new template has been produced by Rob Greville, (front left) shortly we will be launching another new template by Wayne hunt (back right). To see all the templates in all colours please visit:

http://www.traders.ukplc.net/forum_posts.asp?TID=161

If you have any comments or suggestion for new designs in the future please leave us a message on the forum. Alternatively please email traders@ukplc.net and we will forward this on to our design team for you.

If you are interested in having a site built or would like to upgrade your current site please traders@ukplc.net and we can get a member of the implementation to contact you, to discuss your needs.
