

Second Addition of @UK Traders Club news!

Welcome back to the @UK Traders News!

This club is designed to help all our traders to get the most out of their Site Generator packages.

In this issue we give you the chance to meet the Implementation Team. These are the guys who create the ecommerce websites, that give you, the ability to carry on trading with internet customers, local authorities, schools and hospitals.

If there are any topics that you would like to see featured or if you would like to become a featured trader, please feel free contact us.

Featured Trader— Jaylec Electrical Contractors

Jaylec Electrical Contractors was founded in 1989 and has since, due to its professionalism, expertise, experience and reliability, gained a well earned reputation of excellence in the electrical engineering industry.

Jaylec Electrical Contractors can provide electrical installation, portable appliance testing, fire alarm testing plus many more services.

To visit their site go to http://websites.uk-plc.net/Jaylec_Electrical_Contractors_Ltd and when you place an order mention the Traders Club for a 10% discount.

To become a Featured Trader is **free** of charge all we ask is that you are willing to provide other suppliers a 'Traders Club' discount on your website. If you are interested in becoming a featured trader please send an email to traders@ukplc.net with your discounted prices and we will feature you in the next Newsletter.

Lewisham Suppliers

@UK PLC Would like to welcome all of The London Borough of Lewisham's new suppliers, that are now trading electronically with us. We look forward to working with you.

Did You Know....

Once a supplier has purchased a Site Generator package, a list of all the Public Sector buying organisations in the @UK marketplace can be viewed within the ecommerce setup of your website. These include around 1700 schools, councils and hospitals. This provides a great opportunity for suppliers to create new business by introducing their business and offerings.

Suppliers can then set up accounts for new customers within the ecommerce setup of their Site Generator website, with the option of setting up individual price lists for each different customer.

@UK websites also provides you with a real presence on the world wide web (or Internet). This provides opportunities to grow your business by selling to other companies and consumers and provides access to a worldwide market.

To see all the buyers within @UK please visit <http://purchasing.uk-plc.net/websites/ePage.aspx?pg=5624> and start increasing your business today!

Issue 2, October 2006

How Do I?

This is the section which is here to answer any questions that you may have about trading with your customers, and just general use of your Site Generator package.

How Do I Set Up My Invoice?

1. Logon on the www.suppliertradingcentre.co.uk website with your username and password. Once logged in to your account there is a menu bar at the top of the screen.
2. From the menu bar highlight, **Ecommerce Setup; Invoice Options; Set Up Template.**
3. Most of the white boxes will be populated, but it is wise to double check the information.
4. Fill out the 'Invoice Terms' box as well as entering your company and VAT number.
5. Once you are satisfied with the changes, click the 'update' button.
6. You can preview your invoice and see the layout, then click 'Done' on the set up page.

Send an email to traders@ukplc.net and you could see your question answered in the next

Meet The Implementation Team

The Implementation Team compile customers ecommerce websites meeting the customers individual requirements and specifications.

The team gather the information to create a sharply simple but, effective web presence, build the website, link it into the marketplace.

'We can take any company from having no website at all to having a full, multimedia eCommerce website linked into the marketplace and available for global trade' - Rob Orwin, Senior member of the Implementation team.

Go to http://websites.uk-plc.net/Gunnebo_UK/ to see one of Rob's favourite sites he has built, Gunnebo UK.

If you wish to contact the Implementation Team and discuss having your ecommerce site designed please call 0870 486 6002 or email traders@ukplc.net

Traders News

UK PLC now offers 100% Electronic Options

A free financial model has been constructed by @UK so buying organisations can quantify their savings from implementing 100% electronic ordering and/or invoicing both of which are now achievable using the latest @UK developments.

New guides for e-procurement in schools published

The DfES Centre for Procurement Performance (CPP) has published number of guides on the issues of implementation of e-procurement in schools, in conjunction with the Department of Communities and Local Government.

For more detail on these news items please go to <http://www.ukplc.net/news/>

To remove your name from our mailing list, please email traders@ukplc.net with unsubscribe in the subject line.
